

100%
BAMBOO &
SUGAR CANE
CONTAINERS AND BOWLS

WHO WE ARE

Verdura Products is an experienced manufacturer of bamboo & sugarcane-based containers and bowls for the AWAY FROM HOME market.

Our Mission is to increase global awareness of our plant based high performing fiber-based packaging solutions for food service and industrial applications.

Our extensive range features:

- PFAS & BPA FREE CONTAINERS
- PFAS & BPA FREE BOWLS & LIDS

Our Products are made entirely from plants, are 100% commercially compostable and are designed safe for food contact.
